Express EtherNetwork™
4-Port Ethernet Broadband
Router

D-Link, the worldwide leader in innovative home and business networking, sets a new standard for broadband router performance and price with the new *Express EtherNetwork DI-604*.

The DI-604 combines the latest advancements in chip technology, low-cost design and manufacturing with new, feature-rich firewall and network management controls to give you quite possibly the most advanced, yet affordable ethernet router to date.

The DI-604 is ideal if you're creating your first home or small business network, or if you're a more advanced user looking for additional management settings. A simple, yet intelligent, web-based setup wizard makes the DI-604 easy for anyone to quickly and securely connect computers to share a high-

speed Internet connection, files, resources, games or just to communicate.

The DI-604 has an integrated 4-port switch with 10/100 Ethernet ports for directly connecting up to four computers. And one Ethernet cable is included with the DI-604, just to get you started.

So, whether you're a college student who wants to network with friends and roomates, an executive working at home or in a small office, or a concerned parent who just wants to have more control over how your children access the Internet, then the D-Link *Express EtherNetwork DI-604* is the networking solution for you, even if you don't know anything about networking.

4-Port Ethernet Broadband
Router

DI-604

SPECIFICATIONS

Standards
- IEEE 802.3 10Base-T Ethernet
- IEEE 802.3u 100Base-TX Fast Ethernet
- IEEE 802.3 NWay Auto-Negotiation

VPN Pass Through / Multi-Sessions
- PPTP
- L2TP
- IPSec

Advanced Firewall Features
(see table)

Device Management
Web-Based – requires at least Microsoft Internet Explorer v5 or later; Netscape Navigator v4 or later; or other Java-enabled browsers.

Media Access Control
CMSA/CA with ACK

LEDs
- Power
- WAN
- Local Network—10/100

Operating Temperature
32°F to 131°F (0°C to 55°C)

Humidity
95% maximum (non -condensing)

Power Input
External Power Supply
DC 5V, 2.4A

Safety & Emissions
- FCC
- UL

Dimensions
- L = 5.5 (140mm)
- W = 4.5 (114mm)
- H = 1 inch (25.4mm)

Weight
0.44 lbs (200g)

Warranty
One Year

Network Management Controls Made Easy, Made for Everyone

Never before has an Ethernet router priced so inexpensively included such advanced firewall and network management controls as the D-Link *Express* EtherNetwork DI-604. Through its easy-to-navigate, Web-based interface even if you're new to networking you can quickly set policy-based filters based on content, MAC address, IP address, URL and/or Domain Name. Additional advanced features include pass-through of multiple concurrent IPSEC and PPTP VPN sessions, especially useful for tele-commuters or others who need a more secure way to communicate and transmit information.

Advanced Firewall Features

Feature	Available
NAT with VPN Passthrough (Network Address Translation)	✓
MAC Filtering	✓
IP Filtering	✓
URL Filtering	✓
Domain Blocking	✓
Scheduling	✓

Protect & Share Your Internet Connection

www. Internet

Connect up to four computers and share your Internet connection, files, and games. Just add a D-Link DFE-530TX+ Ethernet cards to desktop PCs and a DFE-690TXD PCMCIA adapter to a laptop PC.
