D-Link®
Building Networks for People

Express EtherNetwork™
Enhanced Broadband Internet Experience

Features and Benefits

**DCM-202
High-Speed DOCSIS 2.0
Cable Modem**

High Speed Internet Connectivity

Powered by TurboDOX™ bandwidth acceleration software, the DCM-202 increases your download speeds by up to 20 times for your enjoyment of popular Internet applications, such as file sharing, audio and video streaming, and website uploading. The DCM-202 makes your broadband connection more efficient and effective by clearing network congestion, for a boost in the download speeds.

DOCSIS® 2.0 CableLabs® Certified™

The DCM-202 is compliant with DOCSIS 2.0 CableLabs standard, which ensures compatibility with a wide variety of cable providers. It is also backwards compatible with DOCSIS 1.1/1.0 standards.

Ethernet and USB Connectivity

The added convenience of both Ethernet and USB ports allow the DCM-202 to be used with a variety of computers. USB driver support for Windows® and Ethernet support for all operating systems eliminates the need for additional components. An Ethernet and USB cable are included with the DCM-202 to get you started.

Easy Installation

Once connected to your computer via USB, your Windows® operating system will automatically detect the device and the Installation Wizard will quickly guide you step-by-step through the configuration of your DCM-202.

Easy-to-read Display Panel

The LED indicator lights on the front panel of the DCM-202 allow you to monitor the status and activity of the modem. The easy-to-read display helps ensure that your modem is functioning properly.

Simple Out-of-Box Experience

The DCM-202 works seamlessly with other D-Link wired or wireless networking products and networking products you may already own. Connecting your DCM-202 to a D-Link Router will let you share your broadband connection with other computers and peripherals.

Other D-Link products that work with the DCM-202:

**DI-624
Wireless Router**

**DWL-G520
Wireless PCI Adapter**

**DWL-G660
Wireless Cardbus Adapter**
