

## Product Highlights

**Connect your device with USB Type-C connector**  
The DUB-1310 adapter allows you to connect a device with USB Type-C connector to a device with USB 3.0 Type-A port.

**Plug-and-play support**  
The adapter is ready for use right after it is connected.

## DUB-1310 USB 3.0 to USB 3.1 Type-C Adapter

### Features

- USB Type-C port
- USB 3.0 Type-A connector
- Data rates of up to 5 Gbps
- Plug-and-play support
- Backwards compatible with USB 2.0
- Compact design

The DUB-1310 adapter allows you to connect a device with USB Type-C connector to a device with USB 3.0 Type-A port. Simply connect the DUB-1310 to USB 3.0 port - the adapter is ready for use right after it is plugged in. The adapter's compact design provides the convenience of its usage. USB 3.0 technology supports data rates of up to 5 Gbps. Thus, the DUB-1310 brings exceptional data rates and helps you to copy your video, music, photos and documents from one device to another. This adapter is backwards compatible with the USB 2.0 devices.
