

128MB/256MB Flash Drive

The D-Link flash drive provides you with 128 Megabytes or 256 Megabytes of flash memory for convenient use with your computer. This portable pen-sized compact drive lets you store up to large quantities of image and data files for carrying around in your pocket. It plugs to a USB 2.0 port of your computer and provides fast 480Mbps interface with your computer, giving you the speed, convenience and mobility for today's computing environments.

Convenient Network or Storage Operation

The D-Link flash drive plugs to a USB 2.0 port of your notebook or desktop computer to provides instant 128MB memory storage. You can carry this adapter around to hook up to a network to access resources and, if your network provides connection to the Internet, logon to the web. This flash drive gives you ample space to download and store data for mobile use.

Portable Pen-Sized

The D-Link flash drive is an attractive, portable device. It can fit into your pocket or carrying case, or can be attached to your briefcase through a string.
